

ATTENTION ADA RESIDENTS

Summer is the season for solicitation, also known as "Door Knockers." Our office has received an abundance of calls with inquires as to whether or not those solicitors currently out there have been vetted. Any approved and authorized solicitor should wear this badge showing Ada Township authorization and signed by me. Approved solicitors are carefully instructed to have this badge visible at all times. If you have any questions or concerns, please do not hesitate to call my office. THANK YOU!
